

Cleves School - Pupil Premium 2020/21

No.	In School Barriers
1	In each group there is a small number of pupils eligible for the Pupil Premium Grant (PPG) but there are no common factors that affect all of them. Each pupils' unique circumstances are identified and addressed through our pupil premium profiles and action plan.
2	A small number of PPG pupils are identified by their teachers as having low self esteem and lacking in confidence which can lead to anxieties.
3	There is some crossover between SEND and PPG, particularly in Year 6. Whole school 16 pupils are identified with SEND and PPG and Year 6 cohort, 6 out of 15. These pupils have gaps in basic literacy and numeracy skills.
4	A risk of not feeling included in the year group or able to participate with their peers in some activities. i.e funding trips, parties and residential visits.
5	Percentage of PPG pupils attaining expected level at Key Stage 2 is below whole school averages. Based on most recent SATS outcomes from 2019, no further data available (SPaG PPG - 78% vs Non PPG - 97%, Reading PPG - 78% vs Non PPG - 90%, Writing PPG - 86% vs Non PPG - 93%, NB Maths PPG - 100% vs Non PPG - 95%)
6	If children are sent home to self-isolate due to COVID-19, or even have a number of occasions they have to self-isolate they will miss school based learning.
7	Due to COVID-19, typical interventions are limited and restricted to bubbles, therefore some pupils are receiving less support time currently. There is also the risk of a further national lockdown where schools are forced to close to most pupils.
External Barriers	
8	Attendance rate for a small number of PPG pupils are lower than the school average which further disadvantages them.
9	The parents of some PPG pupils can struggle to engage with some school day activities, such as supporting in school or joining curriculum workshops, often due to fixed working hours and lack of flexibility by employers.
10	Small number of pupils do not have a breakfast or breaktime snack resulting in them being hungry and potentially not being able to concentrate through the whole school day. Holiday periods without access to Free School Meals may increase financial strain for families.
11	Additional strain on families due to COVID-19 - loss of income, increased anxiety, pressure on parents.
12	If pupils are required to self-isolate and home learn. Access to IT may be limited or not available.

2020/21 Spending Plan

In 2020-21, Cleves School expects to receive £76,258 in Pupil Premium funding (excluding LAC funding). The funding is based on the needs of disadvantaged pupils and we have decided to allocate funding towards the following to support pupils in raising their attainment and progress.

Activity	What this does?	Barrier	Cost
Support from Counsellors	The Counsellors works with targeted families to provide support and advice to both pupils and their families.	Barrier 2, 6 & 11 Year 3,4,5 & 6	£8,586
ICT Provision	Third Space Learning Chromebooks Lexia Licenses	Barrier 1, 3, 5 & 7 Barrier 12 Barrier 1, 3, 5 & 7 Year 3, 4, 5 & 6	£11,814 £3,000 £500
Specialist Teachers	A specialist employed to work identified children who are at risk of underachieving in writing. Focused groups to take place weekly.	Barrier 1, 3, 5 & 7 Year 3, 4, 5 & 6	£18,900
Staffing	To provide access to interventions to ensure progress in areas of need. Interventions are run by Learning Support Assistants, one to one or in groups which include evidence based interventions such as Read, Write, Inc and Maths interventions.	Barrier 1, 3, 5 & 7	£19,000
COVID	Resources required for pupils working at home, either during a national lockdown or if a bubble/individuals are required to work from home for a prolonged period.	Barrier 6 and 7	£5,000
Access to breakfast, extra curricular and holiday clubs.	Provides breakfast for children and access to the early morning club, ready for school. Access to extra curricular and holiday clubs.	Barrier 1, 2, 4, 8, 10 & 11 All year groups	£150 £1600
Homework club and maths tuitioning	Homework club and maths tuitioning.	Barrier 1, 3, 5 & 7 All year groups	£2,913
Trips, visits and special weeks	This enables all children to be included in Residential Trips, Day Trips, Special weeks and other events. These enrich and are an important part of the curriculum for all children and without full parental financial support would not happen.	Barrier 3,4 & 7 Year 3,4,5 & 6	£4,795
TOTAL	Please note, that other funding is also used to support and top up these activities		£76,258
