Learning Together

PROSPECTIVE PARENTS 2021

Mr C Hodges – Headteacher

“The Cleves ethos...

...is to care for all, encourage all and provide stimulating and fun learning for all children to the best of their ability. The size, although at first daunting for some, is its strength.

It equips children for the future, to be adaptable, to build on experience and to take every opportunity that is put their way”

OFSTED - OUTSTANDING

“Cleves equips children for the future, to be adaptable, to build on experience and to take every opportunity presented.”

Parent

“It was a joy to see all the happy faces who spoke with such confidence.”

Guest

“Whichever school he goes to next, he will go with wonderful happy memories of Cleves and a fantastic grounding for secondary education.”

Parent

“It’s quite clear just how much hard work and thought go into each day’s topics and curriculum activities. There is an endless supply of enthusiasm amongst the staff – you get a sense that everyone wants to do their best.”
