Dear Parents/Carers

Y3 Residential Trip - Sayers Croft 2022 - £163

Firstly, if you feel that your child will not be ready to attend the residential trip please, could you kindly let us know by filling in the appropriate portion of the reply form overleaf.

I am delighted to advise you that a booking has been made for Year 3 to participate in a residential visit to Sayers Croft Field Centre in Ewhurst, Surrey. At the moment you may have reservations about your child going away for two nights but, in our many years of experience, the majority of our Y3 children are ready by the time we get to June.

The trip will take place over the weekend from Friday 24th June 2022 - Sunday 26th June 2022 at a cost of **£163**. We are only able to visit over a weekend due to the large group size.

The children will stay at the Centre for two nights, during which time they will participate in a programme of activities which will include; environmental studies, orienteering, small group challenges and scientific investigations. These are an integral part of the Year 3 curriculum. However, the Sayers Croft experience is as much about the social side of things and the opportunity to go away from home for possibly the first time, as it is about the curriculum. Other positive benefits include: fun; self-esteem; decision-making; responsibility; understanding risk; independence; team-building and memories for life.

The activities will be based outdoors so children will need to bring clothes that you do not mind getting muddy or wet. If you are having a clear out before June, you might want to keep old clothing for the trip!

The trip will cost **£163**. We would ask Free School Meal registered children, or if you have other extenuating circumstances, to contact Mrs Poole, jpoole@cleves.co.uk, so that a payment plan can be discussed by **21st October**. The school believes wholeheartedly in the value of educational visits and opportunities. However, we unfortunately do not have the financial resources to pay the full costs. Consequently, a voluntary contribution is requested from parents/carers. If we do not receive enough contributions then we will cancel this trip. Please regard this as an important investment in your child's education.

We strongly encourage you to use the online payment system, which is for your convenience and ours. If you cannot contribute online, then cheques should be payable to 'Cleves School' and must have the child's name, class and 'Y3 Res Trip' written on the back. Cash must be in a sealed envelope, marking it 'Y3 Res Trip' and your child's name and class written on it. Any contributions and/or return forms should be put in the 'Drop Box' which is situated between the front double door at reception. The whole sheet and/or contribution should be returned by **Thursday 21st October 2022**.

Should you have any problems logging-on to your online account or have any other problems or queries regarding the trip or contributions, please contact jpoole@cleves.co.uk.

2020-2023

If you do not contribute the deposit by the 21st October, or have not contacted Mrs Poole, we shall assume your child will **NOT** be attending the trip and will remove them from the booking.

By contributing the deposit you are confirming your child's participation and are committing to contribute the total amount for the trip (unless other arrangements have been made with Mrs Poole).

If you would like to contribute in instalments (all contributions are non-refundable as we have to pay deposits and instalments to the accommodation in advance of the trip), please adhere to the following:

Deposit	£41.00	Due Thursday 21st October 2021
2nd Instalment	£41.00	Due Friday 19th November 2021
3rd Instalment	£41.00	Due Friday 11th February 2022
Final Instalment	£40.00	Due Friday 11th March 2022

Could we kindly request you contribute these on (or before) the due date as it is very time consuming to send out reminders for contributions. You are welcome to contribute as much as you can whenever you can, as long as you meet the instalment deadline.

If you would like to be considered as an Adult Helper on the trip, please review the important points of information below and fill out the appropriate section of the sheet attached and return with your child's deposit.

- All adults on the trip must be DBS checked. This must be completed 4 weeks before the trip departure date - it can take 6 - 8 weeks to process.
- You must have completed the Safeguarding Induction with Mr Thomas.
- If you volunteer to accompany the trip, it must be a **firm commitment** as dropping out may jeopardise the trip for the entire year group.
- You will be '**In Loco Parentis**' - **potentially 24/7 for the duration of the trip**. You will be required from 'wake up' until 'bedtime' and perhaps even during the night! Some activities will require Adult Help participation. Please be aware that we need volunteers to engage fully in the successful running of the trip. It is very tiring and you must be reasonably fit!
- You will **not** be with your child unless there is a strong medical reason for doing so. You may not be on the same coach. However, you will most likely see them at mealtimes.
- It includes travel to and from Cleves and Sayers Croft.
- It is hugely rewarding accompanying a residential trip. To see the children first hand away from the school environment is both interesting and enjoyable.

Please respect the teacher's professional judgment in choosing which adults will accompany the trip. There are many different factors that have to be taken into consideration.

Yours sincerely

Miss K Harrison
