CLEVES' DRIVING AND PARKING PROMISE

I appreciate and welcome the fact that Cleves is concerned about pupils' safety on the roads around the school and wants to show consideration to local residents.

As someone who drops a child/children at Cleves or picks them up, I promise:

- Never to stop or park across a driveway or in a resident's parking space, even for a minute
- Never to park in a way that prevents pedestrians, disabled users or parents with buggies from using the pavement
- Never to stop or park on zig zag lines or close to the zebra crossing, even for a minute
- Never to stop, pull in or park in such a way that would prevent or hinder emergency vehicle access
- Never to allow children to leave my vehicle whilst it is in the middle of the road/not safely pulled into the side of the road
- Never to do three-point turns in the middle of the road or turn into a junction and then reverse back onto the road
- Never to wait with my engine running
- To drive with extra caution around the school at drop off and picking up times
- To show consideration to other drivers around the school at busy times
- Not to park in the Church car park opposite the school unless I am attending a function there
- To car share with other parents when I can
- When possible, not to drive to and from school – or to park a distance away and walk
- To let the school know of dangerous parking or driving incidents
