

SPORTS PREMIUM – CLEVES SCHOOL 2021/2022

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Awarded Platinum School Games Mark – 2017/18 to 2021/22 • Increased number of pupils representing the school in competitive competition from 210 (2015/16) to 303 (2016/17) to 397 (2017/18) to 625 (2018/19). Prior to pandemic and the creation of the WWHSP partnership, we were on track to have all 720 representing the school at least once. • In 2018/19, 605 pupils regularly attended an extra-curricular sports club. In 2019/20 we looked on track to increase this figure prior to lockdown. • Significant lunchtime and afterschool sports extracurricular club program in place as part of our COVID recovery plan • Embedded intrahouse competition, enabling every pupil to participate in a range of competitive sports every half term. • Strong partnerships in place with local schools with regular festival style approach to competitions in place. Development of WWHSP (Walton, Weybridge and Hersham Sports Partnership) led by Cleves. • More able pupils take part in a leadership program, providing stretch/challenge. • The introduction of Mini-Olympics for lower school has seen most classes represent the school in a local community competition, as a class based team. • Our footballers have been National Champions twice in the last five years and have played at Wembley on both occasions. In others sports, we regularly triumph at a local level and compete strongly in county and regional finals. • Continued to target and engage all pupils, including the most reluctant, to participate in a range of extracurricular sports and activities. • Learn to lead program fully implemented in 2017/18 and now embedded • Outstanding facilities and highly committed staff ensure outstanding PE provision. • A team approach to the leadership of PE in the school means that there is greater capacity and key roles and responsibilities are distributed. • A sports crew is in place who help run competitions, run activity sessions for younger pupils at lunchtimes and contribute to the design of the PE curriculum at Cleves. This is now broadening out to more pupils. • A commitment that our teaching staff will be the ones teaching PE at Cleves. As a result, regular CPD opportunities are offered to all staff including lunchtime supervisors. The teachers are supported by an employed Sports Coach who 	<ul style="list-style-type: none"> • To ensure that a full curriculum is now delivered in each year group following the easing of restrictions • Relaunch the Walton, Weybridge and Hersham Sports Partnership (WWHSP) to increase participation across the local area, utilising a range of excellent resources and expertise. Cleves to continue to take the lead on this. • Maintain and, if possible, further increase the already high numbers of pupils participating in active clubs/sport. Improve range of provision and activities on offer. Aim for 100% of pupils attending extra-curricular activities throughout the year. • Continue to target those that are less active and expand the range of lunchtime extra-curricular clubs that are offered. • Aim to involve all 720 pupils in festivals/competitions against other schools through careful tracking. • Embed the use of REAL PE across the lower school, with all staff to undertake training. • To consider competition formats to ensure all pupils are engaged. Reference the YST document and virtual competitions offered by Active Surrey • Continue to develop a hub of expertise in athletics • To further develop the team approach to the leadership of PE across the school in order to add extra capacity and spread expertise as well as support other local schools. • To continue to develop pupil leadership opportunities through links with other schools, if possible. • Continue to investigate active classrooms and opportunities for further physical activity throughout the school day.

<p>models lessons, provides support for the less able pupils and challenge for our better performers</p> <ul style="list-style-type: none"> • The recent purchase of the mini bus (not using Sports Premium money) has continued to allow more children now have the opportunity to represent the school in festivals and competitions. • The development of the mountain bike track at Cleves, giving access to all pupils as part of the curriculum and extra curriculum offer. • The regular use of portable floodlights, funded by the PTA, has allowed sports to continue outside into the winter months. • The introduction of Real PE to the PE curriculum for lower school has targeted the skills based approach to sport and games. During COVID, this was temporarily extended to the upper school to allow full provision to continue. • Curriculum is carefully planned to ensure there is a clearly defined progression of skills and knowledge from years 3 – 6. Pupils learn fundamental coordination and movement skills and then apply these to actual sports where tactical and strategic awareness are then an important part of the curriculum • Active 30:30 and personal challenge areas of the taught curriculum are embedded into the whole school timetable to ensure further time is spent being active. This has allowed for extra healthy competition. All pupils receive 2 ½ hours of PE every week as the core offer. • Wellbeing Award – December 2020
