Thank you for your enquiry and welcome to Cleves after-school 'GAP Club'. We're delighted you're interested in signing your child up to become part of our GAP community.

Our commitment is to provide a safe, fun, happy and caring environment that delivers a welcome release for children from the hard working school day, while respecting the ethos and expectations of Cleves School.

It's this commitment that lies at the heart of everything we do and it's how we measure our success and quality of service to ensure we're keeping it fresh and exciting.

It's also been the driving force behind the formation of the 16-strong playworker team who makes this all happen and who bring a wealth of different skills and experience to ensure a well-rounded experience for the children.

If you would like to sign-up please find enclosed the registration forms which should be returned, together with the fee, via the school reception. We will confirm the availability and your child's start date when the forms are received.

To give you some idea of how it works the children meet up in the Dining Hall/Atrium, have time to unwind, relax and play. There are many fun things to do, such as outside free play, craft activities, board games, ICT, DVDs, free drawing and games room. There is provision for the children to do their homework if they wish, with help on hand if needed.

Whilst at GAP children can help themselves to drinks throughout the session and there is a snack provided.

### GAP Consent Form Permission for Emergency/Operative Treatment

In an emergency, when a parent's attendance cannot be immediate, it is sometimes necessary to obtain treatment for a child from a Doctor or a Casualty Department of a Hospital. As delay in these circumstances is highly undesirable, we would ask that you give your consent below in case such an emergency should unfortunately arise.

In the event of sudden illness or accident affecting my child, if recommended by a doctor, I agree to emergency treatment, including operative treatment and/or administration of a general anaesthetic to my child.
