

Dear Parent/Carer,

Theatre Works are proud to host drama and musical theatre classes at Cleves School.

During the term we will cover exciting topics in our drama sessions. The variety in our classes keeps children focused, enthused and after their stimulating classes they are alert and stretched mentally and physically. For the budding performer we can help them in all aspects of performance work and for other children we aim to increase confidence levels which will show in their school and social life. Most of all at Theatre Works we have fun through creative learning.

Each year our students have performing opportunities. Over the summer term we will be working with the children in various areas of the performing arts including musical theatre, scripted material/plays, creative writing, and filming. (For more information look at our website [www.theatreworks.biz](http://www.theatreworks.biz))
