Cleves School
Oatlands Avenue
Weybridge
Surrey
KT13 9TS

3rd June 2026

Dear Parents and Carers,

Calling all entrepreneurs, marketing specialists, practical and/or creative people!

Can you find a little time to help our school to continue to provide the incredible range of opportunities we currently offer our children?

If that's you, or someone you know, please read on.

Entrepreneurs:

- Our school site is a great asset: could you help us analyse our school site to identify unexplored opportunities for efficiency or additional revenue?

Marketing:

- Could you help us to improve the marketing of our facilities to attract additional Income?

Financial support:

- Do you know of any businesses that could support us, through match funding or in other ways?

Practical or creative skills – some of you help in these and other ways already

- The PTA is vital to our school and urgently needs new volunteers to help organise and run events - please contact pta@cleves.co.uk if you would like to volunteer (Currently, crucial services such as our Second-Hand Uniform Sale are unable to take place).
- Could you help with gardening?
- Could you listen to children read in class?
- Is there another way in which you could help the school with your skills, expertise or time?

Mail: info@cleves.co.uk
Web: www.cleves.co.uk
Tel: 01932 224300
Fax: 01932 234669

Cleves School

Acting Headteacher: Mrs N. Green

If you feel you can contribute in any of the ways mentioned above, please email the school office at info@cleves.co.uk.

Games Donations:

- We are always grateful for board games or similar in good condition for use during wet play times. Please bring these to our reception.

Why are we asking you for help?

At Cleves we try to provide every child with the best possible opportunities to prepare them for an increasingly competitive and rapidly changing world and to help them flourish as individuals. We are committed to ensuring that our pupils do not just navigate the future but shape it.

We deliver on this through excellent teaching standards and through a curricular and co-curricular offer that extend well beyond the basic requirements and the usual offer to junior school children.

What you may not be aware of is that the funding for some of the opportunities we provide is reliant on the school raising additional income, for example through letting out our Sports Hall and the brilliant annual fireworks display organised by the PTA.

Like all schools today, we face significantly increased operational costs and reduced income, and this is why we are asking for your help: the Cleves community of staff, trustees and families has always been strong, reflecting our core values of collaborating, kindness, inclusiveness and high aspiration.

We know that many of you already contribute in a variety of ways to support our children's education and experiences, and we truly recognise and appreciate that - thank you! Cleves would and could not be what it is now without you. Every hour of time volunteered or piece of expert advice shared with us, directly translates into a richer educational experience for your children.

So if you could offer your skills, expertise or time in the ways identified above we would love to hear from you.

Yours
