<ul style="list-style-type: none"> • Awarded Platinum School Games Mark – 2017 to 2022 and then again July 2022 • Ofsted inspection – July 2022. School graded outstanding with PE part of one of the deep dives • Increased number of pupils representing the school in competitive competition from 210 (2015/16) to 303 (2016/17) to 397 (2017/18) to 625 (2018/19). Prior to pandemic and the creation of the WWHSP partnership, we were on track to have all 720 representing the school at least once. • In 2018/19, 605 pupils regularly attended an extra-curricular sports club. In 2019/20 we looked on track to increase this figure prior to lockdown. • Significant lunchtime and afterschool sports extracurricular club program in place as part of our COVID recovery plan • Embedded intrahouse competition, enabling every pupil to participate in a range of competitive sports every half term. • Strong partnerships in place with local schools with regular festival style approach to competitions in place. Development of WWHSP (Walton, Weybridge and Hersham Sports Partnership) led by Cleves. • More able pupils take part in a leadership program, providing stretch/challenge. • The introduction of Mini-Olympics for lower school has seen most classes represent the school in a local community competition, as a class based team. • Our footballers have been National Champions twice in the last six years and have played at Wembley on both occasions. In others sports, we regularly triumph at a local level and compete strongly in county and regional finals. • Continued to target and engage all pupils, including the most reluctant, to participate in a range of extracurricular sports and activities. • Learn to lead program fully implemented and now embedded • Outstanding facilities and highly committed staff ensure outstanding PE provision. • A team approach to the leadership of PE in the school means that there is greater capacity and key roles and responsibilities are distributed. • A sports crew is in place who help run competitions, run activity sessions for younger pupils at lunchtimes and contribute to the design of the PE curriculum at Cleves. This is now broadening out to more pupils. 	<ul style="list-style-type: none"> • To consider what next steps are needed to move PE provision at Cleves from outstanding to exceptional. • To further develop the Walton, Weybridge and Hersham Sports Partnership (WWHSP) to increase participation across the local area, utilising a range of excellent resources and expertise. Knowledge planners are used by both staff and children • Active 30:30 and personal challenge areas of the taught curriculum are embedded into the whole school timetable to ensure further time is spent being active. <p>To use benchmark data from the previous year to target and improve physical activity levels.</p> <p>To carefully track the numbers of pupils attending extra-curricular clubs and competitions.</p>	<p>Utilising SIMs, set up marksheets which record attendance to all extra-curricular clubs.</p> <p>Use this to then target less active.</p> <p>Through the WWHSP partnership, ensure all pupils have the opportunity to take part in competitions.</p> <p>Using the YST membership resource, consider the reframing competition document - https://www.yourschoolgames.com/reframing-competition/</p>	£0	<p>SIMs has been used effectively to track and target attendance at extra-curricular clubs.</p> <p>608 pupils have attended at least one extra curricular sports club during this academic year.</p> <p>224 pupils have attended more than one club.</p> <p>610 pupils have represented the school in a sports festival/competition this year and 292 have done this more than once.</p>	<p>In the 2023/24 academic year, we plan to fully implement our competition framework, ensuring all 720 pupils have the opportunity to represent the school at the appropriate level for them utilising our 'inspire', 'aspire' and 'higher' approach.</p> <p>We will continue to utilise the YST resources to ensure that the type of competition is closely matched to the needs and desires of the pupils.</p>

Undertake a full review of the personal challenges to ensure they are still fit for purpose.</p>

<p>To employ a sports coach/mentor to support staff in delivering high quality PE provision across all year groups.</p>	<p>Within games lessons, additional support will be offered to the less able and least active individuals with a focus on raising fitness levels and basic coordination skills</p> <p>This will extend to after school where additional support will be given to those children attending our after school care club as well as running extra curricular clubs such as mountain biking and basketball</p> <p>To organise interschool competitions for our pupils and others within the WWHSP partnership</p>	<p>£8,000</p> <p><i>(additional school funding will also contribute towards the salary of this individual)</i></p>	<p>Our sports coach/mentor has continued to play an important role in the delivery of high quality PE provision this year.</p> <p>Our sports coach has closely supported the delivery of the PE curriculum.
