- Dietary requirements will be catered for. Please ensure the school is aware.

Kit List

The following items are a guide to what you may want to pack. Please make sure that **everything is clearly labeled**. To make it easier for each child to be responsible for their own clothing, it is useful to get them involved with the packing. If possible use a 'pull-along' style case as **children will need to carry their own bags**. It is a good idea to get them to do a pick up 'test' beforehand to ensure they can carry it by themselves. Please ensure your child is present for the bag pack as it makes repacking it on the Friday much smoother. It is recommended that on the top of their belongings there is a piece of paper with all the contents listed - this will also make it easier on Friday.

- Wash bag (soap, toothbrush/paste etc)
- Hand towel & large towel, shower cap
- Underwear
- Socks - need to cover ankle
- Suitable nightwear
- Shorts (we may be lucky with the weather)
- T shirts (no crop tops)
- Trousers/ leggings for activities (not jeans)
- Fleece/sweatshirt & long sleeved T shirts
- Waterproof** jacket (trousers if they have them)

- Trainers or outdoor shoes (at least 2 pairs)
- Wellington Boots
- Slippers (plimsolls will do, for indoors)

- Cuddly Toy
- Robust 'named' refillable water bottle
- Baseball hat/sun hat
- Hair bands if long hair
- Sunscreen protector and lip salve

What NOT to bring

- No sprays of any kind (e.g. aerosol deodorant/hairspray)
- No crop or tie-front tops, unsuitable slogans/images on any clothing, extremely short shorts

Medication - Monday 13th April

- **3.30pm-4pm in 3A**

Medical forms have already been sent out and hopefully returned. If you need to make any amendments to your child's form it is essential that you email jpyott@cleves.co.uk as soon as possible prior to the trip. There is no time on the morning of the trip to collect medication, so if your child is required to take any medication, please bring it into school, **only** on the date above. All medication must be in the original packaging, in a clear labeled bag.

If your child has an auto-injector pen or inhaler at school, this will go with them on the trip. Please ensure they also have a spare inhaler with them. If your child needs to take a travel sickness tablet, please ensure this is taken prior to arrival at school. If medication is prescribed just prior to the trip, and not showing on the medical form, please ensure we are informed and have full details regarding dosage and timings.

If there is anything you would like to discuss of a confidential nature, please contact Mrs Pyott either by phone or email on jpyott@cleves.co.uk
