3rd November	Tudor Day
13th, 14th December	Christmas Concert
15th December	End of Autumn Term

Maths

Children are taught in groups which reflect their confidence, attainment and ability.

All groups follow the same sequence of lessons.

Children's progress is not limited by the group they are taught in.

Children are given the support they need to achieve.

We use concrete and visual resources to ensure a deep understanding of concepts for all children.

Calculation policy is available on the Cleves website ("Our School" section) [link](#)

Literacy

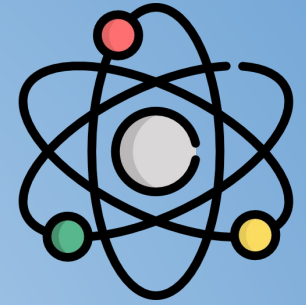

Reading

- Whole Class Reading
- Guided Reading
- Independent Reading

Writing

- Sentence structure
- Punctuation and Grammar (PAG)
- A variety of text types
- Editing and improving skills
- Handwriting
- Spelling

Science

Autumn

Properties and Changes of Materials

Life Cycles of Insects and Mammals

Spring

Earth and Space

Gravity

Life Cycles of Humans

Reproduction of Plants

Summer

Forces

Gears, Levers and Pulleys

Endangered Animals

We develop skills of working scientifically alongside scientific knowledge.

We also study a diverse range of scientist past and present:

e.g.

Galileo and Copernicus

Maggie Aderin-Pocock

Caroline Herschel

Jane Goodall

Computing

The computing curriculum has 3 strands:

Coding

Lego - control a model
Crumble - control a
buggy made in DT
HTML code

Information
Technology

IMovie - film editing
**Spreadsheets and
Forms**
Building websites

Digital
Safety

Security
Digital Footprint
Sharing of information
Safe Gaming
...and more

Art and DT

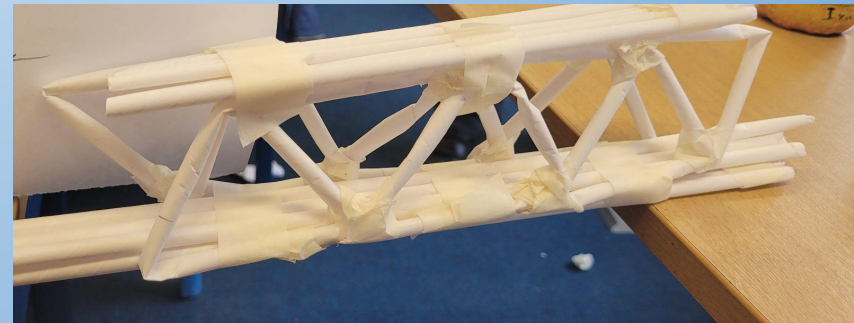

Tudor Portraits

Motorised Moon buggies

Pop Art

Bridges

PE and Games

Music clubs

Pastoral

Please share any pastoral concerns with your class teacher.

Medical or pastoral issues can also be shared with our Welfare Officer, Ms Nash.

She can be reached via email or phone, through the school switchboard.

dnash@cleves.co.uk

Please make sure all medicines held by the welfare office are in date.
