

# THE ART CLASS

## WHAT WE DO

Here at The Art Class we develop different skills and techniques depending on the club, but also build confidence and self-esteem during the 1 x hour sessions run at Cleves after school. Children will sharpen their focus and experience mindfulness throughout the creative process. Choose from the following options below : Drawing & Painting, Mixed Media or Design

## WHAT TO EXPECT

Projects are kept fun, upbeat and age appropriate (include all year groups 3-6), whilst they gain an understanding of their subject matter with some art history along the way. They are encouraged to take pride in their work which will quickly become apparent when you see what they produce! Classes are taught by Lynette Pitzolu who founded The Art Class in 2010 and has been running classes at Cleves since 2015. For more information about her [follow this link](#)
