

THE ART CLASS

WHAT WE DO

Here at The Art Class we develop drawing skills, painting techniques, build confidence, sharpen focus and problem solve. In Design Club we encourage independent thinking and creative solutions. All year groups are welcome most start in year 3 and stay to year 6 where their development over 4 years is considerable.

WHAT TO EXPECT

Projects are kept fun, upbeat and age appropriate, whilst they gain an understanding of their subject matter with some art history along the way. They are encouraged to take pride in their work which will quickly become apparent when you see what they produce! Classes are taught by Lynette Pitzolu who founded The Art Class in 2010 and has been running classes at Cleves since 2015. For more information [follow this link](#)
