

THE ART CLASS

WHAT WE DO

Here at The Art Class we develop not only skills and techniques, but confidence and self-esteem during the 1 x hour sessions run at Cleves School. Your child will learn about light, shade, form and texture through painting and drawing. They will also develop focus and experience mindfulness throughout the creative process.

WHAT TO EXPECT

Projects are kept fun, upbeat and age appropriate whilst they gain an understanding of their subject matter with some art history along the way! They are encouraged to take pride in their work which will quickly become apparent when you see what they produce. Classes are taught by Lynette Pitzolu who founded The Art Class in 2010 and has been running these classes since 2015. For more information about her follow this link [ABOUT US](#)
